The 1954 Bruins

RETURNING VETERANS—A total of 22 returning lettermen: 6 ends, 4 tackles, 3 guards, 2 centers, 3 quarterbacks, 2 left halfbacks, one right half and one fullback. Three returning starters from the 1954 Rose Bowl game are Left End Rommie Loudd, Left Tackle Jack Ellena and Left Guard Sam Boghosian. Ellena, three-year right guard letterman Jim Salsbury and Junior Fullback Bob Davenport are rated All-Coast or All-America possibilities.

LOSSES—15 veterans: One end, 3 tackles, 3 guards, one center, one quarterback, one left halfback, 2 right halfbacks, 2 fullbacks and one defensive backfield specialist. Key losses are unanimous All-American tailback Paul Cameron and All-Coast right tackle Chuck Doud, along with a great defensive wingman in Myron Berliner and outstanding all-round performer in wingback Bill Stits. Defensive backfield specialist Milt Davis was also considered one of the best in the business.

PROMISING SOPHOMORES—5 off the 1953 freshman squad which split two games with Los Angeles City College and USC. They are Left End Pat Pinkston, Center Jack McKay, Quarterback Bob Bergdahl, Left Half Doug Bradley and Right Half Bruce Ballard.

NEWCOMERS AND TRANSFERS—Jim Brown, 190, a fine guard transfer from Santa Clara University via Valley JC; Jim Decker, 165, originally from Omaha, another transfer from Santa Clara who could distinguish himself as wingback; Doug Peters, 184, promising fullback prospect from West Contra Costa JC; Don Shinnick, 205, a 1952 All-City fullback from San Pedro Hi who came to UCLA via Valley JC; Mike Riskas, 196, a left guard who has not played football since he earned All-City honors at tackle while at Belmont Hi in 1951. Of these Shinnick and Riskas did not take part in spring practice.

OFFENSE—Red Sanders' colorful balanced-line single wing attack, of which there are only three other major attacks like it, features both running and passing in balanced proportions. Although running far outweighed UCLA's passing in 1949 and 1953, the Bruins have scored 90 TD's on the ground as compared with 55 in the air during Sanders' five-year term. Ten others have come by pass interceptions, punt returns and fumbles. This year's team figures to have definitely a better-balanced offense than the ground-minded 1953 eleven, which scored 23 touchdowns on the ground, only nine through the air and two on pass interceptions. The '53 team, third highest scoring team in UCLA history, ranked fourth in the nation behind Maryland, Notre Dame and Michigan State and averaged 22.4 points per games in their tough 10-game schedule. The key offensive post is tailback (left half) and hoping to fill it in the best Bruin tradition is Senior Primo Vallanueva, who spelled All-American Paul Cameron last fall, and Sophomore Doug Bradley, who was a surpriser in spring drills. Despite less physical strength at tail-

back, the over-all backfield situation may be favorable. Fullback Bob Davenport may be the juggernaught to keep opponents "honest" up the middle. Improvement of blocking back Terry Debay and others at quarterback, along with what may be an outstanding line, could make UCLA an improved team over 1953.

PASSING—Villanueva completed 11 out of 27 for 183 yards and two touchdowns last year and 12 out of 23 for 188 yards and one TD the year before. He is expected to show improvement although he missed spring practice because of academic difficulties. Bradley appeared to be an improving thrower in spring drills.

PUNTING—Although Villanueva, Bradley and Sam Brown, another tailback, are expected to do some punting, Left End Bob Heydenfeldt should be among the nation's best. He averaged an even 40 yards on 47 kicks in 1952 although he punted only seven times for a 37.71 average in 1953.

THE OUTLOOK—Red Sanders admits he COULD have a better team than a year ago although he hastily adds that every team in the Pacific Coast Conference will probably be better this season. He says, "We at UCLA expect to have consistently high morale on our teams, and the 1954 team should be no different. With only average breaks against us in the way of injuries and the like, this squad should give its university another outstanding football record."

Single Wing Master

HENRY R. "RED" SANDERS
UCLA HEAD FOOTBALL COACH

The nation's outstanding single wing football coach! That's Red Sanders, UCLA's seventh head coach.

This year will be Sanders' 26 season as a football tutor. Following 14 successful years of prep and assistant coaching jobs, Red now stands as a top mentor by outstanding performances for six years at Vanderbilt and five at UCLA. He gained further national recognition on the coaching staffs at the 1951 East-West Shrine game in San Francisco, the 1952 All-Star game in Chicago and the 1952 North-South game in Miami, Fla. He is the current president of the PCC Football Coaches' Association.

Two more honors were recently accorded Sanders. He was named one of America's 30 all-time great coaches by a national survey conducted by Edwin Pope of Atlanta, Ga. Sanders was also commissioned as a Colonel on the personal staff of Gov. Frank Clement of Tennessee.

In his five seasons at UCLA, Sanders' coaching and personality have made a great "hit" with Bruin players, students, alumni and fans alike. Noted as a coach who has never failed to finish higher than he was doped by the experts, he has turned out soundly-drilled teams which have won 33 games, lost only 12 and tied one. He has finished first once (1953), second three times (1949, 1951, 1952) and third once (1950) in the Pacific Coast Conference and his 1953 team was ranked fourth in the nation with an 8-2 record, including the Rose Bowl game.

Sanders lived and coached all his life in the South before coming to UCLA. Born in Asheville, N. C., on Mar. 7, 1905, he moved to Nashville, Tenn., when he was two. He attended Davidson County Central Hi in Nashville and later graduated from Riverside Military Academy, Gainesville, Ga., in 1923.

Entering Vanderbilt in 1923, Sanders lettered four years each in baseball, football and basketball. He was Vandy's baseball captain in 1927. He played quarterback at the same time All-American Bill Spears performed at Vandy. The late Dan McGugin, his coach, remarked that "Sanders has one of the best football brains I have ever known."

Incidentally, "Red" is a nickname tacked on him in childhood by an uncle and has nothing to do with the color of his hair, which is iron-grey.

Red's first coaching job was as backfield aide at Clemson in 1927. He also played pro baseball for three years following graduation from Vanderbilt. He then moved to Columbia, Tenn., Military Academy as head coach in 1931, then to his prep Alma Mater, Riverside, in '34. During his eight-year career at these two schools, he compiled one of the finest prep records in Southern history, winning 55 games, losing only four and tying two. In 1938 he was freshman coach at Florida and next backfield tutor at LSU. Vanderbilt paged

him in 1940. There against top competition, Sanders six-year record (1941-42-43-46-47-48) was 36 wins, 22 defeats and two ties.

Sanders, who brought to the West Coast such outstanding grid tactics as the balanced-line single wing, has always coached the single wing. He also originated the now-famed 4-4 defense, copied by college and pro mentors alike all over the nation; developed the "squib kick" as substitution for the out-of-bounds punt; and exploited and popularized the now almost universally used spread punt formation.

The Sanders attack features plenty of passing and running power and also occasional short punt and spread formations. His is the only "pure" single wing team in the league.

Red served as a Navy Commander in World War II. He is married to the former Ann Daniels, of Lakeland, Fla., an alumnae of Florida State University and holder of a masters degree from the University of North Carolina.

WILLIAM F. "BILL" BARNES (Tennessee '41)
End Coach and Scout

Tennesseean Bill Barnes is marking his fifth year as end coach at UCLA this season. Before coming to the Bruins in 1950 he spent four years at the University of Arkansas as an end coach and scout.

Bill had a colorful football career as a player. He played prep football at Central Memphis High in 1935 (he was on the same team with present Bruin backfield coach Tommy Prothro) and in that year was a squad member of an All-Southern high school all-star team. After his prep days, versatile Billy starred as wingback in his sophomore season (1937), blocking back as a junior ('38) and end as a senior ('39). The 1938 Volunteer team, called the best Tennessee aggre-

gation in history rolled over Oklahoma in the Orange Bowl.

The 1939 team played and lost to USC in the Rose Bowl. Bill graduated in 1941 with a Bachelor of Science in Education, majoring in geology and geography.

Tennessee signed him as assistant coach and scout in 1940. Two years later he entered the Army as 2nd Lieutenant. After four years he was discharged with the rank of Major.

Barnes is 36 years old, five-foot-ten and weighs 185 pounds. He's wed to the former Frances Tow, whom he met while coaching at Arkansas.

HERBERT B. "DEKE" BRACKETT (Tennessee '34)
Assistant Coach

Deke Brackett, now begining his fifth year as assistant coach at UCLA, was signed by Red Sanders at the same time (1950) as End Coach Bill Barnes. Like Barnes, he was at the University of Arkansas before coming west. At the Razorback school he was backfield coach and head baseball coach from 1946 until 1949.

Brackett's coaching career dates back to 1934, the year he was graduated from the University of Tennessee where he was student body president in his senior year. He began that year as assistant football coach for the Volunteers.

He received honorable mention on Grantland Rice's All-American teams in 1931-32-33. Deke is 43 and is married to the former Hazel Bowman and has two children, Herbert Jr., 13, and Sallye, 6.

After graduating from Knoxville, Tenn., High in 1929, he entered Tennessee and quarterbacked undefeated Vol teams in 1931-32.

In 1937 and 1938 he was assistant football coach and head baseball coach at The Citadel in Charleston, S. C. The following two years he held the same job at Hampden Sydney College, Va. The years 1942-45 found him in the Navy, from which he was discharged in 1945 as Lieutenant Commander.

GEORGE W. DICKERSON (UCLA '37)
Asst. Line Coach and Scout

George Dickerson and Johnny Johnson, frosh coach, are the two coaching staff members who are UCLA alumni. George played tackle for Bill Spaulding in 1934-35-36 and as a senior was Bruin football captain. He was picked on the All-Time All-UCLA football eleven which was selected last year by the UCLA Alumni Magazine.

At the age of nine George moved to Los Angeles from Galion, Ohio, where he was born 41 years ago. Before coming to UCLA, he attended Fairfax High in Los Angeles. In college he competed in both boxing and rugby besides football.

After graduating in 1937, he coached a year at

Arroyo Grande High in Northern California and four years at Tracy, Calif., Union High. At the latter school, he coached the football, basketball and baseball teams.

He was discharged from the Navy as a Lieutenant early in 1946 and served as frosh football coach four years (1946-47-48-49). He is now in his fifth year as assistant line coach and scout. George is married to former Bruin coed Betty Axline, class of '36, and has one son, George Jr., who is 10.

JAMES A. (JIM) MYERS—(Tennessee '47)
Line Coach

This is Jim Myers' seventh year with Red Sanders. He joined Sanders as an assistant coach at Vanderbilt in 1948 and came west with him to UCLA. Born in Madison, W. Va., 32 years ago, Myers is rated one of the nation's leading line coaches. He's wed to the former Carolyn Agee, a pretty Tennessee co-ed at the same time Jim was starring in football for the Vols. They have three daughters, Susan, 8; Katherine, 5; and Carol, 4.

At Madison, Jim played four years of prep ball. He enrolled at Tennessee and played frosh ball in 1940 and two years of varsity in 1941-42. In 1943 he joined the Marines and served until 1946. As a Marine trainee at Duke in '43 he played football and was named All-Southern Conference guard. He returned to Tennessee in '46 and completed his grid career, graduating in '47.

His coaching career got its start at Wofford College in Spartanburg, S. C., in 1947 when he coached the line. The following year he joined Coach Sanders as line coach at Vandy and came to UCLA with him in 1949.

J. THOMPSON (TOMMY) PROTHRO, JR.
(Duke '42)—Backfield Coach

Altogether, 34-year-old Tommy Prothro has spent eight years as backfield tutor under Red Sanders. This season will be his ninth. He is the largest of the Bruin football staff, standing six-foot-three and weighing 230 pounds.

A four-sport man, he competed in football, basketball, baseball and track for Memphis Central High, 1934-36 and Riverside Military Academy, in 1936-38.

At Duke University, Tom was a blocking back, winning two top awards during his career—the Jacobs Award as the best blocker in the South and the Mills Award as the best blocker in the East. He played against Oregon State in the 1943 transplanted Rose Bowl game at Durham, N. C. He also participated in baseball and lacrosse at Duke from 1938-42. In 1942 he joined the Navy and in 1945 was discharged as a Lieutenant.

Tom coached the Vanderbilt "B" team in 1946 and

in '47 became backfield coach under Red Sanders. Shortly before entering the service he was line coach at Western Kentucky in '42. He came to UCLA in 1949 with Red. Tommy is the son of the well-known baseball figure, Thompson "Doc" Prothro, and the nephew of General Clifton B. Cates, former commandant of the U. S. Marine Corps.

JOHN L. (JOHNNY) JOHNSON (UCLA '47)
Freshman Coach

Johnny goes into his fifth season as head Bruin frosh coach. Back in 1949 he served as frosh backfield mentor and then the following year succeeded George Dickerson as yearling headman when Dickerson moved up to the varsity staff. He's 33 years old, five-foot-nine, 185 and still an eligible bachelor.

He lettered three years as a quarterback, 1936-37-38, at Bakersfield High where he gained All-San Joaquin Valley recognition. He captained the 1939 UCLA frosh eleven and, after missing a year of varsity competition, returned as a Bruin fullback in 1941.

From 1942-46 he was in the service. He was discharged as a lieutenant in the Naval Air Corps. He returned to UCLA in 1946 and played on the PCC championship team as a fullback.

Location: San Diego, Calif.
Conference: 11th Naval District Major League
Colors: Blue & Gold
Nickname: Bluejackets or 'Jackets
Center Commander: Capt. J. R. Clark
Administrative Commander: Capt. G. W. Wilcox
Recruit Training Commander: Capt. Herbert J. Campbell
Service School Commander: Capt. Charles E. Phillips
Special Services Officer: Lt. G. E. Mote
Head Coach: William A. "Bill" Rowlett
Sports News Director: Bob Flinn, JO3
1953 Record: Won 7, Lost 2, Tied 0
Returning Squadmen—6

UCLA all-time record against San Diego Navy: W-1, L-2, T-0

Widest margin of victory for UCLA: 6 points (20-14 in 1945)

Widest margin of victory for San Diego Navy: 28 points (28-0 in 1943)

Bill Rowlett, last year a lieutenant and backfield coach under Dick Evans at San Diego Navy, brings his colorful and hard-hitting Bluejackets to Los Angeles for the first time since 1952, when the border lads just about scared USC out of the Coliseum before falling, 20-6, in a spectacular game.

Rowlett, who coaches the straight T-formation and spread formations, will be aided by S. J. White, BMC, and Earl Stelle, PN3, the latter ex-star for the University of Oregon.

This game will be played with the stipulation that the visitors utilize no more than five professional footballers on their team.

The Bluejacket roster, which is one of the heaviest UCLA will meet all season, is topped by Left End Ernest J. "Bucky" Curtis, the six-foot-three, 205-pound 1950 All-American from Vanderbilt University. He has been the No. I pass receiver for the 'Jackets for the last two seasons. He is the property of the Cleveland Browns.

Others returning this fall are Left Half Joe DeBacker, formerly of Missouri Valley College; Fullback Marty Engh, who played one year at Minnesota before entering the service; Fullback Ken Willis, from New Mexico Military Institute; and Larry Licht, from El Camino JC, who was the biggest man on the squad last year at 235 pounds. Licht, however, is topped by 6-5, 267-pound Nathan Blake, a guard, this fall. Blake is also from New Mexico Military Institute.

UNIVERSITY OF KANSAS (Game at Lawrence, Kans., Saturday, Sept. 25).

Conference: Big Seven

1954 UCLA Opponents

Enrollment: 5,500
Colors: Crimson and Blue
Nickname: Jayhawkers
University Chancellor: F. D. Murphy
Athletic Director: A. C. "Dutch" Lonborg
Head Coach: Charles V. "Chuck" Mather
Sports News Director: Don Pierce
1953 Record: Won 2, Lost 8
Returning Lettermen—15

UCLA all-time record against Kansas: W-1, L-0, T-0.

Widest margin of victory for UCLA: 12 points (19-7 in 1953).

The Bruins and Jayhawkers go into the second game of their two-year home-and-home rivalry knowing little about each other. Chuck Mather, the outstandingly successful coach from Washington High School, Massillon, O., has taken over the Kansas coaching reins to install what is known as the Mather version of the T-formation.

Unlike last year's Split-T attack, the new Kansas offense will be a "T" including varying splits in the line, flexed ends, flankers and men-in-motion—but no sliding-T elements. How well Mather knows this type of play is testified by his record of 57 wins out of 60 games at Massillon in six years of competition.

This year's Kansas outlook is improved although the Kansans gave UCLA fits for half the game last fall. Six returning starters will be on the squad, including right tackle Dick Knowles, right end Don Bracelin, quarterback John McFarland, left half Don Hess, right half Bob Allison and fullback John Anderson. Switches, however, have moved Knowles to left guard, Bracelin to left end, Hess to fullback, and Anderson to right end.

The general Kansas outlook is for a fine backfield, improved passing and every bit as good running as 1953—in general, definite improvement. In other words, watch out for this team!

(Continued)

Voted the No. 1 team in the nation in 1953, Maryland makes its first appearance in Los Angeles with a team that will be just as good offensively as last fall's group, which scored a total of 298 points, highest of any major team in the U.S.

Coach Jim Tatum may have some difficulty replacing tackles Stan Jones and Bob Morgan, the former an All-American, thus weakening his defensive unit somewhat.

The Terps, however, still have a solid All-American candidate in Co-Captain John Irvine, a raw-boned, 6-2, 215-pound center, tabbed as the best offensive and defensive center in the history of Maryland.

The visitors are also well-staffed at guards with regulars Jack Bowersox and George Palahunik, the former an All-Conference star. The ends are manned by the best Maryland receivers in a long time, including Bill Walker, who won AP "Lineman of the Week" honors in the Alabama game last fall.

Great speed is the forte in the Maryland backfield, including Charlie Boxold, a speed merchant and one of the best "home run" passers in the business. Boxold may be an even greater Split-T quarterback than Bernie Faloney, the 1953 star. Other speedsters are left half Ronnie Waller and Joe Horning, both 10-second men.

Then, giving UCLA's Bob "Pogo" Davenport a run for honors in this game will be Terp fullback Dick Bielski, claimed as the best all-round fullback in the country. He is a great runner, extra point, kickoff and field goal man and may take over punting chores. He averaged eight yards per try in the spring game.

In other words, with Coach Jim Tatum bringing the king of the Split-T teams to Los Angeles for the first time, an attraction looms for this date that could establish an attendance record surpassing that of 97,802 set at last year's Villanova-Georgia game.

quarterbacks Sandy Lederman, from Santa Monica, Calif., and sophomore Bob Cox, from Walla Wallla, Wash., the Huskies figure to improve on their 1953 record. Lederman finshed third in Pacific Coast Conference passing last fall, completing 92 out of 189 tosses for 1157 yards and 8 touchdowns.

In addition, the Washington running game should improve with return of Marvellous Mike Monroe, the six-foot-one, 196 pounder, who has been compared with the ex-Husky great, Hugh McElhenny, in speed and strength. Monroe broke a wrist in the season's opener last year and missed the rest of the season. He is a great defensive player. He has been moved from halfback to fullback this year.

Stewart Crook and Bob Dunn, two lettermen, gained almost 500 yards between them in 1953 and appear in the running for top back berths. In addition, there's Dean Derby, Washington state high schoool champion in the 220.

Most likely candidate for all-star honors, however, is solid Earl Monlux, a 6-1, 205-pound guard veteran. He's a quick, deadly blocker and defensive ace who can play through or around opponents.

"Super-sophomores" in the line include: two tackles, 6-1, 200-pound Bill Till, who may beat veteran Jerry Easer out of a starting role, and huge 6-5, 225-pound George Strugar, a "one-man wrecking crew" who got much of his speed and agility on the basketball floor.

This year's game marks the first clash between Cherberg and Sanders-coached teams in Seattle.

STANFORD UNIVERSITY (Game at Los Angeles Coliseum, Saturday, Oct. 16, 2 p.m.).

Location: Stanford, Calif.
Conference: Pacific Coast
Enrollment: 6,871
Colors: Cardinal and White
Nickname: Indians or Cardinals
Name of President: Dr. J. E. Wallace Sterling
Athletic Director: Alfred R. Masters
Head Coach: Charles A. "Chuck" Taylor
Sports News Director: Don E. Liebendorfer
1953 Record: Won 6, Lost 3, Tied 1
Returning Lettermen—15

UCLA all-time record against Stanford: W-9, L-14, T-1.

Widest margin of victory for UCLA: 33 points (39-6 in 1947)

Widest margin of victory for Stanford: 82 points (82-0 in 1925)

The Bruins and Indians go into the 30th year of UCLA's longest continued grid rivalry. One of the closest and most colorful of all UCLA's rivalries, this one again figures just about as close as the one which Stanford won, 21-20 at Stanford last fall. This is UCLA's Homecoming game.

Following up what has been termed the "best spring football practice of all time," Stanford may

come up with the toughest line since pre-war days. This puts them right in the category with UCLA's outstanding front wall and this could develop into the greatest battle of the year in the Coliseum.

On the heels of graduated Bob Garrett, letterman Jack Gebert had a strong spring training, along with non-lettermen Jerry Gustafson and Don Kafka, all T-quarterbacks, who will apparently be operating both the Straight-T and Split-T in 1954. The record shows Gebert completed 10 out of 19 passes last fall for 144 yards and two touchdowns.

Most important returning regulars are halfback Ernie Dorn, fullback Jarvis Watson and tackle Matt Armitage, who could make any club in the West. Dorn and Watson, along with second string returnees Bill Tarr and Bill Rogers, compiled a grand total of 886 yards in 1953, a formidable crew to go with the strong forward wall of the Cards.

Most promising linemen, along with the 200-pound Armitage at tackle, are sophomore Don Manoukian (210) and Donn Carswell (200), and letterman Roy Krickeberg (210).

In other words, watch out for Stanford again.

OREGON STATE COLLEGE (Game at Corvallis, Ore., Saturday, Oct. 23, 2 p.m.)

Location: Corvallis, Ore
Conference: Pacific Coast
Enrollment 5,000
Colors: Orange and Black
Nickname: Beavers or Orangemen
Name of President: Dr. A. L. Strand
Athletic Director: R. S. "Spec" Keene
Head Coach: LaVerne "Kip" Taylor
Sports News Director: John H. Eggers
1952 Record: Won 3, Lost 6
Returning Lettermen—19

UCLA all-time record against Oregon State: W-11, L-4, T-3.

Widest margin of victory for UCLA: 57 points (57-0 in 1952)

Widest margin of victory for OSC: 28 points (28-0 in 1948)

With a solid nucleus of returnees and outstanding prospects from one of the best Oregon State freshman teams in years, look for big improvement in the Beavers this fall.

Aerial artists Jim Withrow, playing his fourth season, returns to the key quarterback role after completing 43 out of 97 passes for 504 yards and two touchdowns in 1953. He will be pressed, however, by a pair of fine freshmen in Ray Westfall and Bob Clark. Best returning varsity back is Jack Peterson, senior left half, who netted 175 yards in 1953.

Sophomore Leon Hittner and vet Wes Ediger will probably team up to give OSC one of the best pair of pass-catchers they've had in quite a while. Ediger topped his teammates last fall with 16 catches for

186 yards

Like most PCC team, however, the Beavers hope to be much improved in the line. Two-year lettermen Bill Johnson, 200-pound right guard from Salem, Ore., will push UCLA's foursome of Jim Salsbury, Sam Boghosian, Hardiman Cureton and Jim Brown for "linemen of the game" honors in this contest.

Coach Kip Taylor's two rangy tackles, senior John Hall and Junior Howard Guettgenbach, will also give Bruin All-American candidate Jack Ellena a showdown battle for honors at this position.

This contest marks the first appearance of a Red Sanders coached team in Corvallis, and the first time UCLA has played there since 1941.

UNIVERSITY OF CALIFORNIA (Game at California Stadium, Berkeley, Calif., Saturday, Oct. 30, 2 pm.)

Location: Berkeley, Calif.
Conference: Pacific Coast
Enrollment: 14,725
Colors: Blue and Gold
Name of President: Robert Gordon Sproul
Name of Chancellor: Clark Kerr
Athletic Director: Brutus Hamilton
Head Coach: Lynn "Pappy" Waldorf
Sports News Director: Bob Rubin
1953 Record: Won 4, Lost 4, Tied 2
Returning Lettermen—20

UCLA all-time record against California: W-9, L-14, T-1

Widest margin of victory for UCLA: 21 points (21-0 in 1942 and 28-7 in 1952)

Widest margin of victory for Cal: 35 points (35-0 in 1950)

This great and colorful intra-university rivalry goes into the 22nd year as two friendly, but keen, personal rivals—Red Sanders and Pappy Waldorf—meet for the sixth time. Waldorf defeated Sanders in their first two outings, but Sanders has not lost to the Bears since 1950 and has scored 69 points to Cal's 21 in the last three seasons.

Blessed with an amazing spring practice turnout of 104 men, Waldorf apparently has welded the Bears into one of the most free-wheeling grid machines Cal has seen in many years.

All-America candidate Paul Larson returns at quarterback and figures to be greater than ever. Cal and USC will battle it out for "backfield of the year" honors in the West. Other Bear running stars appear to be Los Angeles' Jerry Drew and Steve Dimeff.

Outstanding line candidates are end Jim Hanifan, a 6-3 senior who played 331 minutes in 1953; Guard Hal Norris, one of the best in the nation; and Center Matt Hazeltine, who could be an All-American despite the accomplishments of Larson in the backfield.

With both Bears and Bruins improved over 1953, look for another one of the great sports spectacles when the two teams tangle in Strawberry Canyon.

UNIVERSITY OF OREGON (Game at Los Angeles Coliseum, Saturday, Nov. 6, 2 p.m.)

Location: Eugene, Ore.
Conference: Pacific Coast
Enrollment: 4,000
Colors: Emerald Green & Lemon Yellow
Nickname: Ducks or Webfoots
University President: Dr. O. Meredith Wilson
Athletic Director: Leo Harris
Head Coach: Len Casanova
Sports News Director: Art Litchman
1953 Record: Won 4, Lost 5, Tied 1
Returning Lettermen—19

UCLA all-time record against Oregon: W-14, L-10, T-0

Widest margin of victory for UCLA: 41 points (41-0 in 1951)

Widest margin of victory for Oregon: 27 points (27-0 in 1929)

Sparked by a great all-round T-quarterback in George Shaw and bolstered by return of eight out of the starting eleven on the 1953 team, Oregon could come South headed for the Rose Bowl with one of the best teams in Duck history.

Second only to UCLA in defense last fall, Coach Len Casanova's team will be just as strong in this department. Two of the top linemen in the country figure to be Oregon center Captain Ron Pheister and guard Jack Patera. In addition, a slick bunch of backfield aces make the Ducks tough to throw against.

Offensively, Casanova's cre wmay jell as they failed to do in '53. Returning, of course, is Shaw, who completed 49 out of 119 passes for 652 yards and a .411 average last fall. Operating also at left half, this outstanding performer carried the ball 62 times for a net of 215 yards and a 3.5-yard average. He scored three touchdowns, five conversions and passed for two more scores. He also caught 13 passes for 197 yards and led his team in punting and punt returns.

Halfback Dick James, the league's third ranking ballcarrier last fall also returns after a 1953 season which saw him carry the ball 106 times for a net of 479 yards and a fine 4.7 average. He was also the Duck's leading scorer with 36 points.

An interesting note is that no less than three Oregonians in this year's starting lineup will wind up their careers as four-year lettermen—Shaw, Patera and Left Tackle Hal Reeve.

After two straight years low-scoring football (13-6 and 12-0 in favor of UCLA), this year's contest could turn out to be a colorful, high-scoring affair with a strong bearing on the Pacific Coast Conference Championship.

UCLA all-time record against USC: W-5, L-14, T-4

Widest margin of victory for UCLA: 39 points (39-0 in 1950)

Widest margin of victory for USC: 76 points (76 -0 in 1929)

This biggest of all "big games" begins its second quarter of century with prospects of another colorful 100,000 crowd viewing the spectacle. To date fans have seen the two teams meet for an average of better than 73,000 per tilt.

Blessed with possibly the greatest wealth of backfield talent in the history of SC, the Trojans will again present an interesting multiple offense to the fans, this year adding the Split-T attack to their already complicated offense, which includes the single wing with unbalanced line, tight-T and wing-T.

Speed to burn is in the Trojan backfield, with tailback Aramis Dandoy and right half Lindon Crow seeking All-America honors. But the fight of quarterback Jim Contratto, fullback Gordon Ducall, soph left half Jon Arnett and junior Jim Decker to get into the starting lineup virtually makes it a battle of All-Americans.

Despite some inexperience, USC will field probably the heaviest and rangiest line in the West, something every coach dreams of. This front wall will probably include 6-4, 210-pound Leon Clarke at left end and sophomore Chuck Griffith, 6-6 and 231 pounds, at right end. Lettermen fill every other position in the line, including left tackle, where Mario Da Re is outstanding. Clarke, however, appears to have the edge for All-America honors.

An interesting item is the fact that both SC and UCLA may have a Jim Decker on the field at the same time. Trojan Decker plays left half while UCLA's Decker, a junior from Omaha, Neb., via Santa Clara University, operates at right half.

Note: A "rule of thumb" in placing of certain men on defense is as follows—tackles are always reversed on defense; centers and quarterbacks (blocking backs) are always linebackers on defense; fullbacks and right halfbacks are always defensive halfbacks and left halfbacks (tailbacks) are always safety men on defense.

Brown did virtually all of the kicking off for UCLA last fall, consistently booting the ball inside the opponents' five-yard line. He was also an outfielder on Coach Reichle's UCLA baseball team and batted .319 in 1954. Was All-Junior College back at West Contra Costa JC in 1952. Was on all-conference baseball team and won team batting title. Was All-Northern California footballer under Coach Tommy Fitzpatrick at McClymonds Hi in Oakland, Calif. Also was on All-City baseball team. Physical Education major.

PRIMO (DE PREEM) VILLANUEVA—Senior; one-year letterman; played 84 minutes last year behind All-American tailback Paul Cameron and 36½ minutes (not enough to earn a letter) in 1952 behind Cameron and Ted Narleski. Is expected to move up this year and may show unexpected all-around ability despite missing spring practice due to academic difficulties. Carried the ball 58 times for a net of 263 yards and an average of 4.46 yards on ground plays last fall. Completed 11 out of 27 passes for 183 yards and two touchdowns. Also got into action in the punting, punt return, kickoff and pass interceuption departments briefly. Is very quick, but not a power runner like Cameron. Is an outstanding passer and should have fine receivers to hit during the 1954 season. Was on the All-Imperial Valley League team for three years at Calexico Hi under Coach Earl "Ace" Parker. Physical Education major. He is married to the former Orzina Leon and they have two young sons, two-year-old Primo Anthony and six-month-old George Henry. The latter was born just before the Rose Bowl game last Jan. 1 and the Villanuevas planned to name him "Victor" if the Bruins won. The outcome changed things and so the baby was named after George Dickerson, assistant Bruin coach, and Henry Sanders, UCLA headman.

RIGHT HALFBACK OR WINGBACK
(RIGHT HALF ON DEFENSE)

BRUCE McNEIL (BRUCE) BALLARD — Sophomore; frosh numeral winner last year. Started game against USC freshman at tailback, one of only two contests allowed Pacific Coast Conference freshman teams. A strong runner, he was switched to wingback

in spring practice. Lettered in track, basketball and football at Monrovia-Duarte Hi and took part in the grid sport under Coach John Daniels. Pre-Medical student. Delta Sigma Phi fraternity.

JAMES LLOYD (JIM) DECKER—Junior, transfer from Santa Clara University when that school abandoned football. Played second base on Coach Art Reichle's UCLA baseball team last spring and batted .289. Two minor operations during spring practice did not permit him to show to full advantage on the football field, however. He is expected to be a fleet reverse runner, good pass receiver and outstanding defensive performer. Was All-State halfback at Holy Name High School for two years in Omaha, Neb., under Coach Emil Englebretson and also won Catholic All-American honors as a prep. A Business student. Delta Sigma Phi fraternity.

JOHN WILLIAM (JOHNNY) HERMANN—Junior, one-year letterman; played 72 minutes last year. Carried the ball 13 times for a net of 58 yards and a 4.45-yard average on the ground. Also kicked five out of seven points after touchdown during the season. He caught three passes for a total of 40 yards and intercepted one toss during 1953. A fairly fast, jitterbug type runner, Hermann may give opponents trouble this fall. He should make a good passing target, in addition. Was All-City end at San Fernando Hi in 1951 under Coach Al Arps. Physical Education major. Phi Gamma Delta fraternity.

ALLAN H. (AL) TANNER — Junior; played 6 minutes in 1952 as defensive halfback. Didn't turn out for football last year. Played one season of varsity football at Hollywood Hi under Coach Ernie Naumann. Is brother of former UCLA student body vice president June Tanner. Business Administration major. Zeta Beta Tau fraternity.

FULLBACK (LEFT HALF ON DEFENSE)

BOB WOODROW (BOB) DAVENPORT — Junior; one-year letterman; played 303 minutes, the most of any sophomore, last year. Was the team's second-best ground gainer and scorer, carrying the ball 113 times for a net of 438 yards and a 3.87 average and seven touchdowns (42 points). Also briefly got into the punt return, kickoff return and pass interceuption statistics with one try each. With this he earned second team All-Coast honors and was awarded the Bruin Bench "Rookie-of-the-Year" Trophy which is presented to UCLA's outstanding first-year varsity player. In spring practice, however, his vastly-improved performance indicated possible national honors headed his way for his tremendous middle-of-the-line dashes and outstanding defensive play. Davenport may be the best in the West at this position in 1954. Red Sanders says he is the

best fullback he's had at UCLA. Was "Back-of-the-Year" at Jordan Hi in Long Beach under Coach Bob Parke in 1951. Is married to the former Barbara Ballard, of Long Beach. Recreation major. Phi Delta Theta fraternity.

DOUGLAS ROY (PETE) PETERS—Junior, transfer from West Contra Costa Junior College, Richmond, California. Was a two-time member of the All-Big Seven Conference team there. A strong runner and willing worker, Peters showed promise for the future by his spring practice performance. Took part in both track and basketball and played football under Coach Gil Callies at Oakland (Calif.) Tech. Is married to the former Verna Ray and the father of a year-old son, David. Physical Education major.

DONALD DEE (DON) SHINNICK — Sophomore, transfer from Valley Junior College. Missed spring practice because of the Pacific Coast Conference rule barring first-semester transfers. Is a big, fast, strong ball-carrier who should fit into the UCLA attack well when he learns the system next fall. He won a rugby letter on Coach Norm Padgett's Bruin team last spring as a wing. Was a sprinter on the track team and centerfielder on the San Pedro Hi baseball team and won All-City football honors in 1952 under Coach John Santschi. Physical Education major.

History of UCLA

In little more than a generation, the University of California at Los Angeles has become one of the major institutions of higher learning in the United States.

Founded in 1919 as the "Southern Branch" of the University of California, its name was officially changed by the Regents in 1927 to the University of California at Los Angeles—soon to be shortened to UCLA by newspaper headline writers.

In the early days UCLA was located on a small campus on North Vermont Avenue, just south of Santa Monica Boulevard. When enrollment swelled and the need for expanded facilities became apparent, the Regents made arrangements to acquire a 383-acre tract in Westwood Hills, site of the present campus.

Since moving to Westwood in 1929, UCLA has grown at an astonishing rate. Prior to World War II, 12 major buildings of red-brick Italian Renaissance architecture were erected on campus. Since the war, a building program of more than $50,000,000 has doubled the number of buildings and is readying the campus plant for an expected enrollment of 20,000 students by 1960.

UCLA's enrollment today is more than 13,000 regular, full-time students, ranking it ninth nationally and second on the Pacific Coast. Its faculty, drawn from leading institutions of learning all over the world, numbers 850 and the non-academic staff 1200.

To give UCLA more administrative autonomy, the Regents authorized the appointment of a Chancellor for the Los Angeles campus. He is Dr. Raymond B. Allen, former president of the University of Washington, who has had a distinguished career in education and government.

As one of eight campuses of the statewide system, UCLA shares the academic recognition that has given the University of California top ranking among the universities of the nation. It is counted as one of the "Big Five," which also includes Harvard, Columbia, Chicago and Yale.

WILBUR JOHNS (UCLA '25)
Director of Athletics

This is Wilbur Johns' eighth year as UCLA's Director of Athletics. He succeeded the beloved Bill Spaulding as the guiding light of Bruin athletics in 1947 and has been doing a fine job ever since. In fact, he has gained a wide reputation as "a man who knows his coaches" by selecting such top-drawer men as Red Sanders and John Wooden to guide UCLA football and basketball destinies.

Ever since Johns came to UCLA in 1921 he has been closely associated with his alma mater as student, athlete, coach and now athletic director. He was a three-sport letterman at Glendale High in basketball, tennis and baseball but a broken arm in two successive grid seasons forced him to forego football. At UCLA he lettered four years in basketball and also won his "C" in swimming and tennis. He captained the 1925 Bruin cage varsity.

Following graduation he was named assistant hoop mentor under Caddy Works. He served as varsity aide and frosh coach until 1939 when he was named head cagemaster. Johns-coached quintets gained in prominence until 1945 when the Bruins won the Southern Division title, and repeated in '47.

In 1949 Johns gave up his coaching duties in order to devote full time to the over-all UCLA athletic program and picked Wooden to succeed as cage coach. Wilbur is now well-known and respected in NCAA athletic circles and is currently chairman of the NCAA Extra-Events Committee, a member of the NCAA Public Relations Committee and a member of the NCAA Executive Committee. He is also treasurer of the PCC and chairman of the PCC Athletic Directors' Group.

Wilbur is married to the former Idelle Robelen and has an attractive daughter, Peggy, 22, now Mrs. William Cheney, and Mike, 5-year-old son.
